Important Questions	Answers	Why This Matters:
What is an ICHRA plan?	An Individual Coverage Health Reimbursement Arrangement (ICHRA) plan is an Internal Revenue Service sanctioned program sponsored by your employer that allows them to set aside funds to reimburse certain medical expenses paid by participating employees.	Most individuals incur some medical expenses throughout the year that are not covered by insurance. An ICHRA plan is designed to reimburse employees for some of these expenses. The ICHRA plan is totally funded by your employer. Your employer decides a) the amount they contribute to the ICHRA plan and b) the type of expenses the ICHRA plan covers, based on a list of IRS-approved expenses, including premiums for individual health insurance coverage. The James B. Oswald Company assists your employer in offering the ICHRA plan through its <i>ezichra</i> platform. Eligibility for reimbursement under the ICHRA plan is limited to expenses incurred while you are covered under an approved individual health insurance plan.
What does the ICHRA plan cover?	Reimbursement of your <u>premiums</u> for individual health insurance coverage in an amount determined by your employer.	Employees who participate in the ICHRA plan are reimbursed by their employer for premiums for individual health insurance coverage out of their available ICHRA plan funds.
How does my ICHRA plan reimburse my individual insurance coverage <u>premiums</u>?	Under the ICHRA, your employer is offering to reimburse your individual health insurance premium up to a specified monthly dollar amount.	Because you are responsible for all medical expenses that you incur, knowing the details of what your employer's ICHRA plan will reimburse will help you reduce your out-of-pocket expenses. As a covered employee, your employer will reimburse specific amounts for each plan year through the ICHRA plan. This specific amount is documented in your ICHRA Summary Plan Description and set forth below.
What are my ICHRA plan year effective dates?	The ICHRA plan year begins on January 1 st and ends December 31 st of each calendar year.	Reimbursable expenses incurred during your ICHRA plan year are reimbursable at any time during the ICHRA plan year and up to 90 days after the end of the ICHRA plan year.
What do I need to do to qualify for reimbursement?	You must a) be in a class designated by your employer as eligible for the ICHRA b) be enrolled in a qualified plan funded through the <i>ezICHRA</i> payment system.	You (and your family members, if applicable) must be enrolled in individual health insurance coverage, Medicare Parts A and B, or Part C for each month you (or your family members) are covered by the ICHRA. Plans such as short-term plans, indemnity plans and Minimum Essential Coverage plans do not meet this requirement. See the ICHRA Summary Plan Description for more information.

Important Questions	Answers	Why This Matters:
<p>How do I get reimbursement from the ICHRA plan for reimbursable expenses?</p>	<p>If you don't already have individual health or Medicare insurance coverage and you enroll through the dedicated enrollment team using the ezICHRA payment system you don't need to take any action to be reimbursed. The ezICHRA platform will make the entire monthly premium payment on your behalf and if there is any amount over and above the monthly amount that your employer has allowed then your employer will make a pre-tax deduction through payroll for your balance.</p> <p>If you already have individual or Medicare health insurance coverage and would like to keep that coverage you will need to change the payment method for your policy using the ezICHRA platform by calling our dedicated enrollment team at 800-722-7331.</p>	<p>Eligibility for reimbursement under the ICHRA plan is limited to <u>premium reimbursement</u> while you are covered under an approved individual health or Medicare insurance <u>plan</u>.</p>
<p>What happens if I leave my employer?</p>	<p>ICHRA plans are subject to the same COBRA continuation of coverage rules as other employer sponsored group health plans. The ICHRA COBRA <u>premium</u> will be communicated at the time of the qualifying event.</p>	<p>Employees have the right to choose to continue their ICHRA benefit on COBRA when coverage is lost due to a qualifying event. Coverage is extended only to those individuals covered at the time of termination and may only continue the same level of coverage that was in effect prior to termination. Because the IRS considers an ICHRA plan an employer sponsored health plan, it is subject to COBRA.</p> <p>Eligibility for reimbursement under the ICHRA plan is limited to <u>premium reimbursement</u> while you are covered under an approved individual health insurance <u>plan</u>.</p> <p><u>Premiums</u> for ICHRA COBRA coverage are based on the employer's cost of providing coverage.</p>
<p>Can unused ICHRA plan funds roll over to the next plan year?</p>	<p>No, your ICHRA plan funds are only available within the current plan year.</p>	<p>Your ICHRA plan is not designed to permit unused funds to roll over into the next plan year.</p>

What is the overall deductible?	The plan has no <u>deductible</u> .	The ICHRA plan will reimburse you for individual health insurance <u>premiums</u> up to the balance available in your ICHRA.
Are there services covered before you meet your deductible?	The plan has no <u>deductible</u> .	The ICHRA plan will reimburse you for individual health insurance <u>premiums</u> up to the balance available in your ICHRA.
Are there other <u>deductibles</u> for specified services?	No.	You don't have to meet <u>deductibles</u> for specific services, but see the chart starting on page 1 for other costs for services this plan covers.
Is there an Out-of-pocket limit for this plan?	No.	There's no limit on how much you could pay during a coverage period for your share of the cost of covered services.
What is not included in the out-of-pocket limit?	The plan has no <u>out-of-pocket limit</u> .	Not applicable because there's no <u>out-of-pocket limit</u> on your share of the cost of medical expenses.
Is there an overall monthly limit on what the plan pays?	Yes, see the ICHRA Maximum Benefits table on page 6.	The ICHRA will reimburse you for individual health insurance <u>premiums</u> up to the balance available in your ICHRA, even if your own need is greater. Any unused amount for a month will rollover and be available during the next month. You are responsible for all expenses in excess of the balance available in your ICHRA.
Will you pay less if you use a network <u>provider</u>?	No.	The ICHRA treats <u>providers</u> the same in determining payment for the same services.
Do I need a referral to see a <u>specialist</u>?	No.	You can see the <u>specialist</u> of your choice without permission from the ICHRA plan.

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.

Any such rights may be limited in duration and will require you to pay a **premium**, which may be significantly higher than the **premium** you pay while covered under the ICHRA. Other limitations or your rights to coverage may also apply.

For more information on your rights to continue coverage, contact the plan administrator Holly Wolk at wolkh@chemimage.com or 412-241-7335. Does this plan provide Minimum Essential Coverage? No

The ICHRA plan does not provide Minimum Essential Coverage, however, it is provided by your individual health insurance coverage.

Does this plan meet the Minimum Value Standards? Maybe

If your plan doesn't meet the Minimum Value Standards, you may be eligible for a premium tax credit to help you pay for a plan through the Marketplace.

An ICHRA provides Minimum Value if it is affordable for you. Affordability is based on your maximum benefit through the ICHRA Employee-Only (EE Only) tier, regardless of any family members you have. To check if your ICHRA is affordable to you, go to www.HealthCare.gov.

If your ICHRA is considered unaffordable and you opt out of the ICHRA, you may claim the premium tax credit for yourself and any family members enrolled in the Exchange coverage if you are otherwise eligible. If your ICHRA is considered affordable, you may not claim the premium tax credit for yourself or any family member.

You can opt out of your ICHRA by selecting the Waiver option at www.ezichra/employees/ChemImage.
